Building Up the Town of Reno.

Has determined to offer two hundred fine building lots for sale, some of which are situated in the central part of town, and are very desirable for business purposes. The proposed site for homes is immediately South of the Truckee river, and its elevation affords a magnificent view of the mountains in the distance, and the valley and town near at hand. It is also intended by the owners to lay out a park on the South side of the Truckee river, covering 20 acres, in which the public may enjoy the pleasure of driving,
